## Guide to the Healthy Savings Account

### What is Your Healthy Savings Account?

Your Healthy Savings account allows you to....

- Check your fruit & vegetable monthly balance
- Access your mobile card and view your transaction history
- Find stores near you that accept the card
- View other available healthy food discounts
- Discover nutrition tips

In addition to your monthly \$40 fruit & vegetable benefit, the Healthy Savings card includes automatic discounts on certain fresh produce and other healthy food items. **You are not required to create an account in order to use your card**, but it allows for easier access to your benefits and discounts, as well as other nutrition tips.

### How to access your account

You can log into your account through the Healthy Savings app or online through the Healthy Savings website.

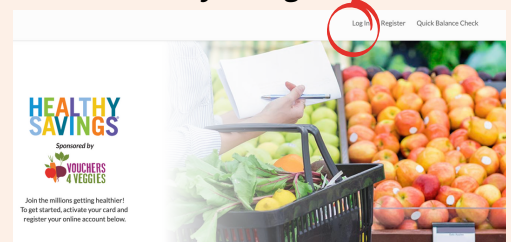

#### Healthy Savings app:

- 1 Search "Healthy Savings" in the Apple Store or Google Play Store and click "GET"
- 2 Once the app finishes downloading, find the icon on your home page
- 3 Login using your Healthy Savings account email and password, and enjoy!

#### Healthy Savings website:

- 1 Go to the Healthy Savings website [www.healthysavings.com/v4v](http://www.healthysavings.com/v4v)

- 2 Login using your Healthy Savings account email and password
- 3 Access your benefits, discounts, discover nutrition tips, and look back at your previous purchases!

# Fruit and Vegetable Monthly Benefit vs. Other Available Discounts

Your Healthy Savings account allows you to utilize both your Fruit and Vegetable Benefit and Other Available Discounts. The \$40 Fruit and Vegetable Benefit is not the same as Other Available Discounts.

## Fruit and Vegetable Monthly Benefit

**\$40 loaded onto your Healthy Savings card monthly** for purchasing **fruits and vegetables** as part of the HFPRx program.

## Other Available Discounts

**Additional discounts** on certain fresh produce and other healthy food items. Promotions change weekly and can be viewed when you login to your Healthy Savings account.
